BorrowBox works with following systems

- BorrowBox is compatible with both Android and iOS devices

- No software needs to be installed for BorrowBox eAudiobooks as it works with software you already have on your device. Simply import your eAudiobook downloads to iTunes or Windows Media Player on your home computer and transfer them to your MP3 player
- All BorrowBox eBooks are compatible with Adobe Digital Editions - gaining access to this software is free and provides an easy to use interface for reading eBooks on PC and Mac and also for transferring eBooks to eReaders
- It is fully compatible with Windows and Mac computers - all BorrowBox files are MP3 format and therefore compatible with all operating systems.
- eBooks can be transferred to all eReaders via Adobe Digital Editions (except regular Kindle) and can be enjoyed on PC and Mac as well

Borrow eBooks and eAudiobooks online or with our library app.

Step 1 Log in

Online

From your library website log in to BorrowBox with your library ID/barcode and password/PIN.

Apps

Install BorrowBox app on your devices. Select your library and then enter your library ID/barcode and password/PIN.

Step 2 Search

Search, browse and discover our great collection 24/7, by title, author or category, read extracts, listen to excerpts and more.

Step 3 Borrow

Confirm your choice or reserve a title for later.

Step 4 Download

Download the complete eBook or eAudiobook instantly. When reserved titles are ready to download we'll email you.

Step 5 Enjoy

Enjoy reading bestselling eBooks and listening to the most popular eAudiobooks from your favourite Australian and international authors everywhere you go.

Step 6 Revisit

We're always adding new titles, so visit often and make the most of your library membership.
